Come Lord Jesus

By: PMC

"Come, Lord Jesus, be our guest…" so begins the common table prayer. Likewise, the apostle John concludes his book of Revelation with the words, "'Surely I am coming soon.' Amen. Come, Lord Jesus!" Therefore, in the spirit of Revelation 22:20, we approach this Advent season committing to daily pray, "Come, Lord Jesus…" in a way that gives us strength and hope. This may sound like a huge challenge to many of us — whether you are a household of one, two, three, or more, having devotions can be a struggle! This Advent we'll use God's Word to equip us as His disciples for this struggle and provide simple and effective ways to help meet this challenge. With God's help we can learn to daily pray, "Come, Lord Jesus," not only to bless our food but our lives, finding strength and hope in Jesus.

The hope and strength that Jesus gives comes in His victory over the "unholy trinity": the devil, our sinful nature, and the sinful world. This includes the promise of fully flourishing in the life to come. So join our Facebook page and commit to pause each day as God's Word teaches and guides us in following our victorious Lord!

For those of you who without access to Facebook feel free to us the daily outline provided in the information rack in the back of the sanctuary, on the FLC website, and here on page 4. May the Lord bless us this Advent as we look to Him in daily devotion to His Word!!

/advent/ noun

"Advent" means "coming." During this season of Advent our focus will be on Jesus' "three comings" to save us — past, present, and future. Jesus has come and accomplished His saving work. He continues to come by the power of the Holy Spirit through His Word and Sac-

raments. He will come again on the last day for our final deliverance. This Advent we remember: Jesus has come, now comes, and will come again! Jesus defeated the devil's accusations by the completed work of His first coming. He comes daily to lead us in Word and Sacrament to bring about repentance, faith, and Christian living.

He will come again to overcome this

rebellious world and bring final victory on the last day!

LWML December:

A HUGE THANK YOU to everyone who donated, helped work, and those who purchased the LWML baked goods on Saturday, November 17th. The Bake Sale was a great success, selling all but two items, that were then sold on Sunday at Church. This will have a great impact on our missions and projects for the remainder of the year.

The tree of mittens, scarves, hats, and gloves is set up in the Narthex through the end of December. The tree is filling up quickly with purchased items and even handmade items. All donations will be given to My Father's House and Lakemary Center.

We invite all women to join us December 12th for our annual Advent by Candlelight Service. If you have not been, it is a beautiful service full of tasty treats, singing, and fellowship. The service starts at 6:30PM in the basement. We hope you can make it!

For those women who cannot attend meetings or events, you can join our Facebook group "FLC LWML". This page has been created to keep everyone up to date on activities and to share what we do as Lutheran Women in Mission.

Upcoming Events:

December 10th: Country Club Estates visit

December 12th: Advent by Candlelight – no business meeting

Family Ministry

By Mary Kettler

December is indeed upon us as well as Christmas soon coming! As we prepare to celebrate the birth of our Savior and spend time in fellowship with our families, Family Ministry and the Youth Action Team continue to work on our traditional celebrations and fund-raising activities.

Not in the mood or have the time for holiday baking? Let our youth take care of that FOR you! The very popular & scrumptious annual Christmas candy/cookie tray sales are under way. There will be opportunities before and after each service on Sundays over the first 3 weekends this month (1st, 8th & 15th) with a pickup date of your order on Sunday December 22nd. If you are unable to place your order at any of those services but would like to order a tray, please call the church office. If you'd like to help by contributing an item to be included in the trays, please contact DCE Angel ASAP.

Our Family & Friends Christmas workshop is set for December 22nd. Plan to indulge in some yummy goodies in the church basement in fellowship with our church family, create some crafty items, decorate a cookie, play some BINGO and win some fun prizes! If weather permits, we will also have our annual neighborhood caroling hay rack ride. Bring a friend or two or three! All are welcome. The fun begins at 9:30 after the 8 am service with a brief 2nd service to begin at 11 am.

Save the Date for the 2nd Annual Valentine's spaghetti dinner on Saturday night, February 8th. More details to come.

Prayers of thanksgiving that our youth had the opportunity to attend the Kansas District Youth Event Nov 22-24 These events provide fellowship with other Kansas Lutheran teens seeking to strengthen their personal relationship with God and how to walk in that faith daily. Please take a minute and ask one of these youth about their weekend.

Christmas Blessings to each of you from the Family Ministry Board/Youth Action Team. We pray 2020 will be a year of continued spiritual growth as we all strive and support one another in our daily efforts to draw nearer to our Lord and Savior, Jesus Christ.

In faith, Mary Kettler

Come Bake Cookies!

Last year a few of us got together and made cookies- lots of cookies. We then packaged them up and gifted them to each of the employees at Lakemary that work directly with the residents. There are some jobs that are very hard physically and mentally and we want to show a little extra appreciation to some of those people. If you would like to help bake cookies- we really had a great time! Please contact Cindy Mead at 859-576-1891 or Glenda Moore.

First Lutheran Church of Paola invites you to:

Please join us for an evening service with hymns, brass, cello, organ, choir, and handbells to prepare for the birth of Jesus

Stephen Ministry

By Cindy Mead

Stephen Ministry I'm going to start sharing some things that we are learning in class... Stephen ministers can not fix you- but they can work the process of caregiving by- They will listen, pray for you and with you, be reliable, there with you through thick and thin, be patient and nonjudgmental. They will help you recognize, accept and express your feelings. When a Stephen Minister focuses on these things that they can do, it gives God time to do what only he can do.

Evangelism

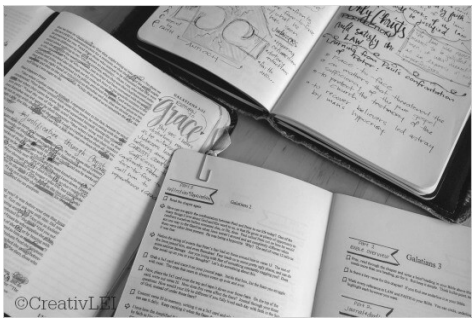
By Cindy Mead

Christmas is fast approaching. We have worked hard to raise funds to give out gifts to those in need. If you know someone in need, a group or organization with needs, or maybe. A family going through a tough time please let us know now so we can help them out this Christmas.

October Financial

Total monthly offerings for October were $24,016 compared to a monthly budget of $34,721. Expenses remain in line with budget. The general fund balance is $80,648.

Bible Study on the Stage



The study of the book of Ephesians continues on the stage in the basement. We are on Ephesians chapter 4 and will continue until we finish the rest of the book which may be in January. All are welcome to attend. Class starts at **9:15**.

#3:02 PM—How should we approach prayer in Advent?

Advent is a season of the church year with deep roots, rich themes, and cherished traditions that culminates with Christmas Day. God wants to bless us each day with His strength, hope, and guidance. However, Satan does not want these to be part of our daily, family lives. In fact, he has promised to battle against us in our pursuit of the generous sowing of God's Word in our hearts! Therefore, gather together with us as we commit to pause each day to pray, "Come, Lord Jesus…" corporately. You can join our Facebook page and have these prayers delivered to you daily through Advent or grab a hardcopy of them the information rack in the back of the sanctuary, on the FLC website, and here on page 4.

By committing to devotional blessings our church family will grow in wisdom and strength through a growing faith and we will also grow closer together in love. May God's Word teach and guide us in following our victorious Lord!

By *Brian Mead*

We all have those times that seem to be unbearable and it may not be just in this time of year. We make it through the good times of growth, being green and growing in our lives and seem like things are wonderful.

There are also the times that we may be a little off color and know that something is changing but it may not be visible in your own eyes. Not saying that these colors are bad, but just the opposite. You may even be falling a little in life or work or family, but just remember that this does happen to everyone at some point.

Sometimes we wake up and see that we may be barren and have lost our cover. This cover may have been what you have been using to " get by " in the past but now people can see your true frame work. There is nothing wrong with this and it is the time that we need to open our eyes and accept the help from others. There are times that we can't see we need help from others, but so many are willing to step out of their comfort zone to help others.

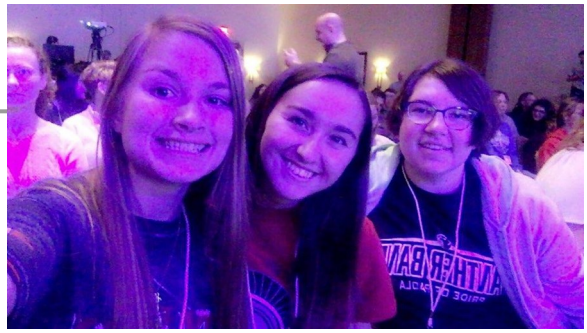
Now, the times that so many of us just don't let in. Just like the beauty of the pure white snow is so clean and fresh, God is always there and ready to help us no matter what color you are in. He is there to help us as well as those around us and sometimes we just need to ask. I know that I do not always want to ask for someone else's help because it may show some sort of weakness. We need to ask God for help as often as we can. Put everything in his hands. Trust in him and trust in his timing.

Just as the snow comes and the colors change, we are all in different colors and different seasons all at the same time. Things come and things will also go away but we need Him in our lives.

One last this.

Thank our God for what he has given us.

Green or brown or bare, he is there.



Kansas District Youth Gathering

By Angel Gillespie

The 2019 Kansas District Youth Gathering was a great success! First Lutheran was able to send eight youth along with DCE Angel Gillespie to participate in a weekend of worship, faith development, service, and fellowship with other youth from the Kansas District.

The youth would like to thank the congregation for it's continued support through prayer and participating in our past fundraisers, including the most recent Dessert Auction. Your support makes it possible for the youth to participate in many opportunities for faith development here at First Lutheran, within the Kansas District, and within the Synod as a whole. All of these experiences allow our youth to learn from different leaders, serve the church, and get to know other youth who are encountering the same joys and struggles within their own faith.

The Kansas District Youth Gathering centered around the theme of Priceless based on Romans 5. Speakers helped us to better understand that our value does not come from our athletic or academic abilities, or from our popularity or relationships, but from the agape love of Jesus Christ our Savior. During the gathering we had the opportunity to go out into the community and share that love with others through service. First Lutheran youth were able to help clean out a yard for an elderly resident in Wichita. The youth worked hard without complaint to remove, fallen trees, limbs, and debris, as well as cutting and clearing the brush growing in the fence line.

We look forward to attending the youth gathering again in 2020, as well as other future youth events here at First Lutheran Church. If you are interested in hearing more about our trip to Wichita or how you can help support future youth ministry at First Lutheran, contact DCE Angel Gillespie or the Family Ministry Board.

Multiply Your Talents

Last month $1,375 provided by a loving donor was placed into the hands and homes of our congregation. By receiving the generous gifts of others and putting those gifts and talents to use ourselves we are not being told *what* is to be done… but, instead, drawn in to *actively accomplishing* ministry ourselves — we are becoming the hands and feet of Jesus! All the while our community, family, and friends witness us owning the ministry God has given to First Lutheran!

Do you see yourself as one who carries the talents and ministry of God, our Father, within yourself?

Over the past year the stakes have been slowly increasing… from hearing the message and commissioning of God (Commissioned series), to a call of regular and daily prayer for our congregation and ministry (Living Stones and #302PM), and ultimately, now, to a tangible invitation to accept a new level of ownership to live out this commission, call, and active participation as a child of God. I really do believe this is a vital project for our congregation. It involves us collectively taking a critical step toward leaving our pews in order to participate and observe the ministry God has for First Lutheran firsthand. Therefore, I hope you have taken time to pray, plan, and put into action the $5, $10, or $20 "talent" you received this past month.

How will we measure the success of this initiative?
The success will be seen by…
an increase in the initial investment of $1,375
the stories of how God is multiplying our congregation's creativity and resources.
providing funding of all four of our Initiatives
creating opportunity for our people to put-our-money-where-our-mouth-is and accepting new levels of ownership in our shared First ministry.

For additional information concerning our four initiatives please take time to review the extended documents provided for each on the bureau in the narthex.
